

## PRESS RELEASE

January 21, 2021

FOR IMMEDIATE RELEASE

### **Every Kid Sports Partners with U90C Sports**

*To create a strong relationship between our organizations and further the mission of each organization.*

BEND, OR, January 21, 2021 – Every Kid Sports, a leading national non-profit organization that provides financial support to children of low-income families to pay sports registration fees, announces a partnership with U90C Sports. Headquartered in Plano, TX, U90C Sports is a professional youth sports event management company specializing in competitive soccer.

Through its “One Goal Initiative”, U90C Sports will donate \$1 for each goal scored across 15 annual soccer tournaments to Every Kid Sports. On average, 1,000-1,500 goals are scored during U90C Sports tournaments. In addition, each organization will cross promote their charitable missions across their websites and social media channels.

**Every Kid Sports** will continue to offer their signature program, the Every Kid Sports Pass, which provides qualified families up to \$150 four times a year, per child, for participation in the sports of their child’s choice. **Every Kid Sports** encourages sport sampling, as research shows that playing a variety of sports allows for greater physical literacy, better socialization, and greater enjoyment in being physically and emotionally active. It prepares them for a lifetime of activity, connection, and positive experiences.

Executive Director Natalie Hummel states, “We are thrilled to be the beneficiary of U90C’s ‘One Goal Initiative’. Youth sports have been severely impacted by the pandemic and more families than ever will need help to register their kids for sports. We can’t wait to see how many kids we can impact through this great program.”
