Bentley, 12, Kokomo, IN

"Sports to my family is more than just something to kill time. Playing sports brings us together as a family. It gives our boys something to bond over, somewhere to make great friends, and something to look forward to! The help from Every Kid Sports Pass that we receive helps make all of our sporting events so enjoyable. The stress of paying for something our family loves so much is alleviated and we are so thankful for the help and opportunity to be a part of such a great program for the children!"

Penelope, 8, Houston, TX

"My daughter loves playing soccer and we were so happy to have received the Every Kid Sports grant to allow her to continue playing this season. She loves to play the sport and spend time with the friends she has made along the way. From the application process to receiving the funds it was all a very smooth and easy process. We appreciate this amazing opportunity and hope to be able to give back to the organization in the future. Thank you to all the donors and sponsors who make this possible!"
