MARTIAL ARTS

"We are so thankful for the help we received. I'm a single custodial grandmother and Gabe is the only boy in our home with his 3 sisters and me. He has gained so much confidence and has a positive way to use his energy in his karate class! Without the funding support, I would not have been able to sign him up do to cost. It has been awesome watching him strive! We are so grateful for the opportunity."

SOFTBALL

"Being able to watch our kids get the chances to play every season is heartwarming, exciting and a blessing. Our kids smiles as they are playing sports. Watching them learn new things while being competitive and getting that physical outdoor exercise while also making new friends a long the way is why we are very thankful for sponsorships. Keeping them in sports is a big goal of ours. Kamea wants to join the Navy and be a reporter."

- Dad, Joseph

SOCCER

"My daughter uses sports to meet new lifelong friends. She loves the sport and helps her keep in shape and have a sense of teamwork. She goes to practice and games and enjoys every minute. Especially when they win a game. Soccer gets her motivation, and shows her that working together makes life a better place. The diversity among the players shows her to love all kinds of people from all parts of the world."
