+ 1,315 MORE GIRLS SUPPORTED VS. WINTER 2023
+ 2,093 MORE KIDS SUPPORTED VS. WINTER 2023
+ SUPPORTED KIDS IN 46 STATES + WASHINGTON, DC

KATIA S., AGE 8, KISSIMMEE, FL
SOFTBALL
"For Katia, we had a behavioral problem and grades were dropping. Since playing softball her attitude has changed and her grades went up drastically. She has learned to be independent and well disciplined. She speaks to her coaches with so much respect that it shocks me every time. I'm blessed to have found a sport and a league that has helped my child not only have so much fun but also have made so many friends. Thank you every kids sports for giving my child this opportunity." - Katia's mom, Tyra

JASPER B., AGE 5, ARLINGTON, WA
FLAG FOOTBALL
"My child has had so much fun and learned so much! He has improved so many skills and none of this would be possible if it wasn't for the Every Kid Sports Pass. Thank you so much for making this possible! He dreams of making more friends and getting better at sports!"
- Jasper's Mom, Tera

JUDAH C., AGE 10, SPRINGFIELD, MO
BASKETBALL
"Judah loves everything about all sports! When he plays he feels confident and skilled. He loves to help others on his team and help coach his little brother at home or during practices. Judah struggles academically and has to have support, but playing sports has helped him improve his confidence and his formal testing scores."
- Judah's Mom, Shannon

ALANAH & ALAYAH C., AGE 12
CAPITOL HEIGHTS, MD
ICE SKATING
Alanah & Alayah's are currently on the synchronized skating team. Ice skating has helped develop their social skills, taught good sportsmanship, all while keeping them active & physically fit. Coaches instill resilience and a never-give-up attitude. They emphasize how falling is a part of the sport (first lesson before getting on the ice), which helps skaters bounce back with renewed determination. Thank you!
- Alanah & Alayah's, Mom Tynigya
