ELLE C., AGE 8,
GILBERT, AZ
SOCCER

"This season we were introduced to the BEST team. We look forward to carrying forward with the same group of girls who became not only teammates, but friends. Our biggest highlight had to be the end of season parents vs kids game. Parents won, but kids were treated with ice cream (unlimited toppings, of course). Thanks to Every Kids Sports, our daughter was introduced to soccer and new friends."
- Elle's mom, Amanda

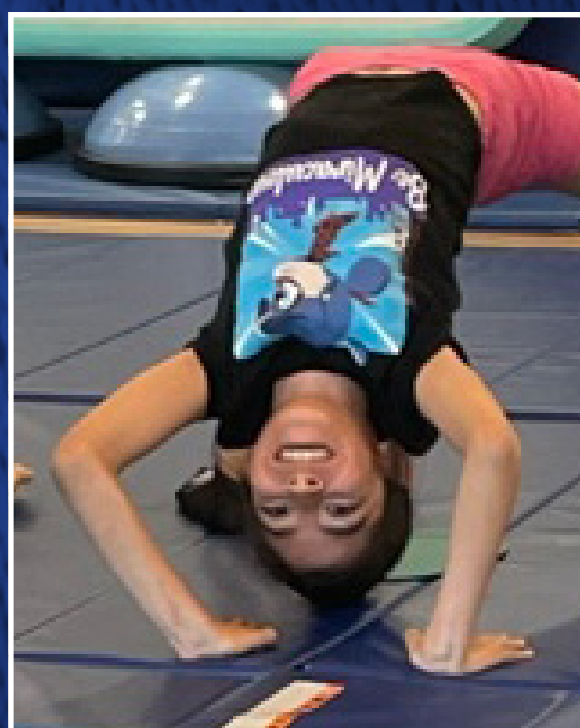

ZAYN A., AGE 7
COONS RAPIDS, MN
FLAG FOOTBALL

"Zayn was able to play flag football. He has fallen in love with the sport and has gained skills in listening, teamwork and ability to compete physically. He has gained friendships. He has been acknowledged for his speed with running and his ability to catch and throw the football. He is very athletic, and this grant has helped us make participating possible. Thank you for helping kids like him and families afford sports and activities every child deserves!" - Zayn's Mom, Eve

KIEL M., AGE 11,
LAKE PLACID, FL
BASEBALL

"My son is 11 and has been active in baseball since he was 4 thanks to you! He was diagnosed with ADHD but on the field you would never know it! He is a pitcher and short stop! He is favored by his coaches and peers! I want to thank you so much. He dreams of going to college and playing for a college team!!"
- Kiel's Mom, Cori

LYLA S., AGE 8
FULLERTON, CA
GYMNASTICS

"My daughter Lyla has Autism and struggles with confidence/social skills. I'm grateful for Every Kid Sports. I have seen her confidence increase since she has started gymnastics. I have seen her socialize more than I ever. Sports have made a safe space for my daughter. This sport has provided large amounts of laughs, smiles, and memories that we won't ever forget. As a single mother, I am forever grateful"
- Lyla's Mom, Rosalie
